**Time: 1200 - 1300 hrs**

# Symposium on Pheochromocytoma and Paraganglioma

By

## APPES Special Interest Group

2<sup>nd</sup> October 2024 | Time: 1200 - 1300 hrs

A Special Interest Group (SIG) meeting is to be held in APPES - ISPAE 2024 to enhance collaboration of health care professionals from a range of disciplines who share common interests in the field of Pheochromocytoma and Paraganglioma. The overall goal of this SIG is to generate interest and share clinical experience, create algorithms for diagnosis and management as well as formation of a registry to facilitate collaborative studies.

### Challenges in Management of Patients with Pheochromocytoma and Paraganglioma:
